

Parking advice for visitors attending WJEC Western Avenue Site during the week

In line with WJEC's travel policy and combined with the sites limited parking, we aim to reduce car journeys to and from the Western Avenue site. As such, we advise visitors attending WJEC to make use of alternative transport arrangements other than using the car. A major emphasis within the plan is the reduction in the number of single-occupant car journeys made to the site by both visitors and staff and to increase the use of public transport.

Visitors are therefore asked to seek alternative means of transport to get to and from WJEC's offices in Western Avenue. As parking is limited on site, the car park is frequently full on a daily basis. In this instance, you may be asked to find alternative parking arrangements. Please adjust your journey times accordingly to ensure that you are able to still attend site at the required time.

Travel advice:

Public transport

Advice on public transport availability for routes within Wales is provided through the website. <http://www.traveline-cymru.info>. The postcode CF5 2YX should be used to indicate the exact location of our Western Avenue site.

The recommended bus services from Cardiff Central station are services 25 and 62, on which the second stop on Palace Road (near its junction with Cardiff Road/Western Avenue) provides the closest stop to our offices. The exact fare is required, as bus drivers do not carry change. Alternatively, the blue 'Cardiff Met' buses (M3) can be used from 0912 hours from the city centre, arriving at WJEC.. These drop off outside WJEC offices and opposite our office area and run approximately every 30 minutes (see timetable below)

M3 ROUTE LLANDAFF - Western Ave - Mill Lane - Cardiff Rd - Penhill Rd - Cathedral Rd - Castle St - Kingsway - North Rd - Western Ave - LLANDAFF

Taxi services are available (e.g. Dragon 02920 333333, Capital Cabs 029 20 777777) from Cardiff Central station and the surrounding area.

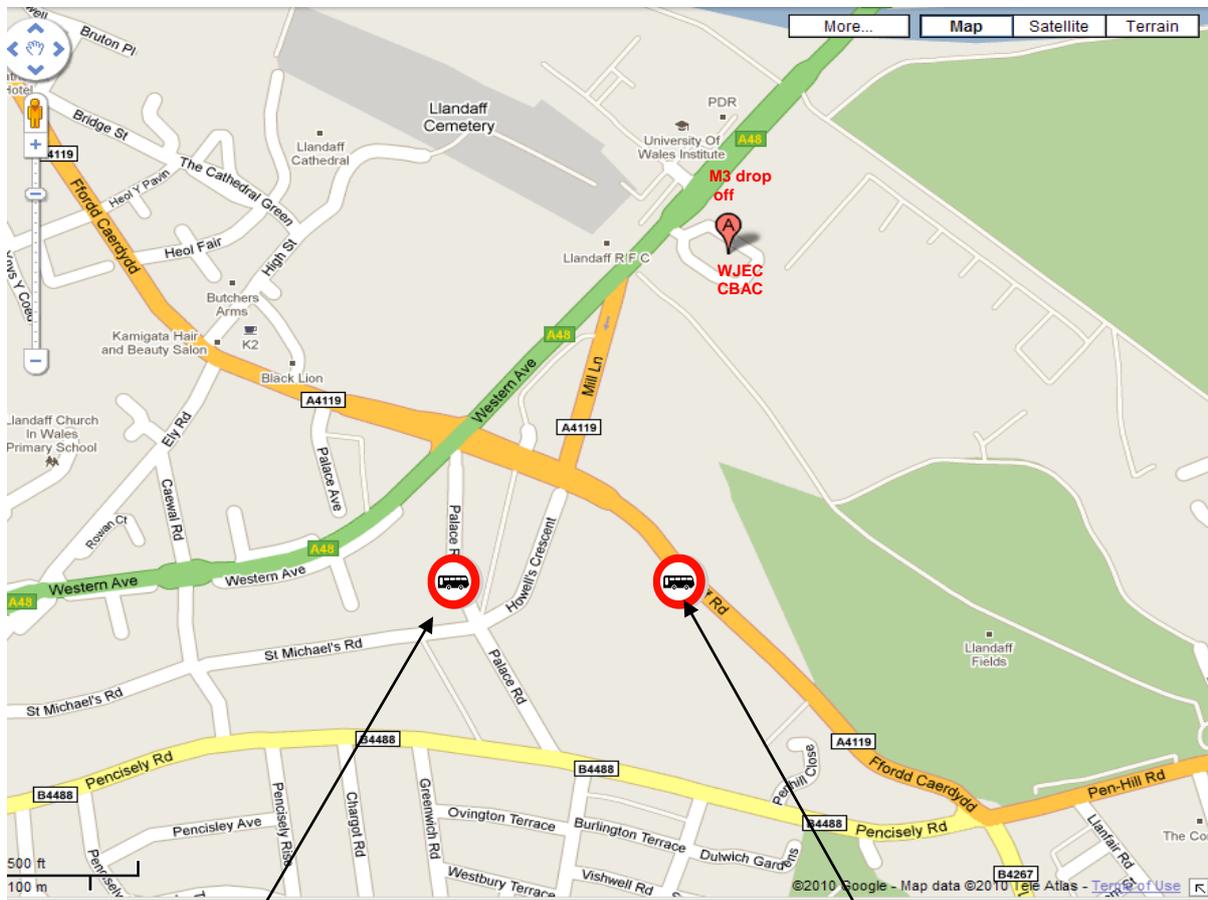

Car sharing

We ask that visitors using a car to attend site, should aim to car share to reduce the environmental impact of your travel as well as demand on car parking spaces.

Alternative car parking options

There is a small car park in Llandaff village, and limited on-street parking is available in areas such as St Michaels Road and Pontcanna Fields (see map overleaf). All these areas are within a 5 - 20 minute walk away, but WJEC cannot guarantee the availability of spaces, and such a solution does not assist the environmental considerations which underpin the travel plan. Visitors choosing to use these options are advised to adjust their estimated travelling times to take into account the time needed to locate a suitable space as well as allowing for the walking time.
