

Guide to Results Entry Pathways

January and June 2019

This document provides an overview of results for **Entry Pathways**. It gives details on what to expect on results days, the documentation you'll receive, information on grade boundaries and where additional advice and guidance can be found.

1. Results Day

i) Collecting Exam Results

Candidates must collect their results from their school or college, usually on the published results day for the qualifications they have sat.

Results will be published on

January Series: **Thursday 7 March 2019**

June Series: **Thursday 4 July 2019**

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should, therefore, check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concern.

(ii) What to expect

On results day, candidates will receive a results slip showing their results. At this point results are designated as provisional; changes may be made at a later point, for example, following a Review of Moderation. Contact pathways@wjec.co.uk for details.

iii) How are results displayed on a results slip?

Results slips will show candidate results for each component taken within that examination series. Entry Pathways results are reported as a Pass (P) at either level 1, Entry 3, Entry 2 and Entry 1.

Unit results that make up the cash in are reported as Pass (P) but also report the number of credits achieved.

Candidates who fail to reach the minimum standard for a Pass receive no grade (Q).

2. Understanding your results

The qualification grade is awarded on the basis of the aggregation of unit credit. Each unit is given a credit value from 1 to 5 credits. To achieve the relevant qualification candidates are required to complete units of sufficient value to achieve the Award (8 or more credits), Certificate (13 or more credits) or Diploma (37 or more credits).

3. What to do if a candidate wants to query a result

It is important that candidates discuss any concerns with their school or college, usually an exams officer or teacher, and decide on the best options available.

If it is considered that there may have been an error, an application can be made for

- [Post-results review of moderation](#) – please note this is not available for individual candidates.

For further details, please contact pathways@wjec.co.uk

4. When are certificates available?

Certificates will be sent to centres by:

January Series: **7 November**

June Series: **Late May**

Candidates should check that their personal details, name and date of birth, are correct on the results slip and inform the Exams Officer if there are any errors. If errors aren't corrected at this stage, there will be a charge for replacing certificates after they have been issued. Candidates should check the arrangements for receiving their certificate with their school or college.
