Vocational Level 1/Level 2

Awards and Certificates

January and June 2019

1. Results Day

i) Collecting Exam Results

Candidates must collect their results from their school or college, usually on the published Results Day for the qualifications they have sat.

For January 2019 the publication of results day is **Thursday 7 March**.

For June 2019 the publication of results day is **Thursday 22 August**.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should, therefore, check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concern.

(ii) What to expect

On Results Day, candidates will receive a result slip showing their results. At this point results are designated as provisional; changes may be made at a later point, for example, following a Review of Marking or Moderation. See section 4 as well as our [Post-Results Services](#) page.

iii) How are results displayed on a result slip?

Results slips will show candidate results for each unit/qualification taken within that examination series i.e. separate results slips will be produced for January and June. (See Appendix 1)

- For each unit, results will display the grade as Level 1 Pass (P1), Level 2 Pass (P2), Level 2 Merit (M) or Level 2 (D)
- For the overall qualification, results will display the grade as Level 1 Pass (P1), Level 2 Pass (P2), Level 2 Merit (M), Level 2 (D) or Level 2 Distinction * (D*)

2. Understanding your results

i) Explaining Grades

The qualification grade is awarded on the basis of the aggregation of unit grades achieved.

Each unit grade achieved by candidates will be translated to a unit point for the purpose of awarding the qualification. Unit points are then aggregated to obtain a total score for the qualification.

Candidates who do not achieve the minimum points required for a Level 1 Pass (P1) will have their achievement recorded as Unclassified (U).

The unit points and grade points are listed in tables 1 – 14 below.

3 Grade Boundaries (Do we need this for these quals)

Grade boundaries are the minimum number of marks needed to achieve each grade. Grade boundaries ensure that whenever an exam is sat, candidates receive the same grade for the same level of performance.

4 What to do if a candidate wants to query a result

It is important that candidates discuss any concerns with their school or college, usually an Exams Officer or teacher, and decide on the best options available.

If it is considered that there may have been an error, an application can be made by the centre for one or more of the post-results services offered by WJEC. Applications cannot be submitted by internal candidates or parents.

Services include:

- **Clerical re-check** – a re-check of all clerical procedures leading to the issue of a result.
- **Post-results review of marking** – a review of the original marking to ensure that the agreed mark scheme has been applied correctly
- **Post-results review of moderation** – please note this is not available for individual candidates.

For further details, please visit our [Post-Results Services](#) page and the information published by JCQ on [Post-Results Services](#) procedures.

5. When are certificates available?

Certificates will be sent to centre by:

January Series: **End of May.**

June Series: **7 November.**

Candidates should check that their personal details, name and date of birth, are correct on the results slip and inform the Exams Officer if there are any errors. Examination Officers must inform WJEC of errors, in writing, not later than 9th September (June Series) and not later than 31 March (January Series). If errors aren't corrected at this stage, there will be a charge for replacing certificates after they have been issued. Candidates should check the arrangements for receiving their certificate with their school or college.
