

GCSE Geology September 2019 Newsletter

CPD 2019

The GCSE CPD this autumn will take the form of a live webinar. This will take place from 4-6pm on Wednesday 16th October 2019. The 2-hour session will focus on lessons learned as a result of the 2019 examination series. This will provide an opportunity for delegates to run through topics related to the 2019 examination series, review a range of assessed examination papers and ask questions related to the assessment of the examinations.

For further information see the details on the Eduqas website at

<https://www.eduqas.co.uk/training/>

CPD 2018

The 2018 GCSE Eduqas Geology CPD 'Approaches to Teaching' took the form of a recorded webinar which contains useful information to support your teaching. It is still available on our website or at the link

https://varndean.adobeconnect.com/_a35016157/pjze75yph0hz/?proto=true

Email contact

If you have subject specific enquiries then please make contact with the Geology team by using the e mail address geology@eduqas.co.uk. Please note that the Subject Support Officer for Geology is now Matthew Roberts. Matthew has replaced Sophie Gibbs who has worked very effectively to support Geology in the last two years.

Fieldwork Statement

Learners are required to have undertaken a minimum of 2 days in the field for the GCSE qualification. The specification states that each centre must provide details of their fieldwork on a Fieldwork Statement. This is available on the Eduqas website at <https://www.eduqas.co.uk/qualifications/qualification-resources.html?subject=Geology&level=GCSE>

It must be submitted using the e mail address geology@eduqas.co.uk by 15th May each year.
