- gain practical skills, becoming increasingly sophisticated and controlled
- reflect on, evaluate and refine your work
- explore diversity, identity and culture

WHAT WILL I STUDY?

The GCSE Art and Design qualification is available in the following pathways:

- Art, craft, and design
- Fine art
- Graphic communication
- Textile design
- Three-dimensional design
- Photography

HOW WILL I BE ASSESSED?

Unit 1 - Portfolio

Assessment Type: Non-exam assessment
60% of qualification: 120 marks

This unit is designed to enable you to develop knowledge, understanding and skills within the creative process. You will be encouraged to make personal discoveries and take creative risks through your own investigations. You will be required to produce a portfolio:

- through a sustained project that shows development, refinement, reflection and presentation
- that is internally set, in consultation with your teacher, based on a theme, concept or specific design brief.

Unit 2 - Externally Set Assignment (ESA)

Assessment Type: Non-exam assessment
40% of qualification: 80 marks

The ESA contains five overarching 'big ideas'. You must choose one big idea and use given stimuli as a starting point to inform your work.

You will undertake contextual and practical research and supporting studies during a preparatory period. This will inform your response during a 10-hour 'sustained focus' period.

WHAT SKILLS WILL I DEVELOP?

You will learn to use a broad range of media, techniques, tools, digital technologies and processes depending on which pathway you choose. You will develop the skills to create artefacts - whether that is painting, fashion design, content creation, photography, or architectural models (to name a few possibilities). You will learn how to develop creative processes and working methods to develop the visual outcomes that you choose.

You will also learn and understand about working independently (with teacher support) to develop your own ideas and to meet deadlines set for your work. Through all of this, you will gain an awareness of sustainability in art and design as well as a deeper understanding of culture and identity through engaging with your emerging work.
