

Entering WJEC Single Award (Cashin 3570QS, C00/3685/2) and Double Award (3570QD, C00/1237/9) GCSE Health and Social Care, and Childcare

As outlined in the WJEC GCSE Health and Social Care, and Childcare specification, candidates may take Unit 1 and Unit 2:

- and cash-in for the single award qualification
- before Unit 3 and Unit 4 and cash-in for a double award at the end of the course
- in the same series as Unit 3 and Unit 4 and cash-in for a double award qualification.

Where candidates have cashed-in Unit 1 and Unit 2 for the single award, the outcomes from Unit 1 and Unit 2 cannot contribute to a double award.

It is important to note that candidates **are permitted** to cash-in a double award and a single award in the same series **if they have completed sufficient units to allow both cash-ins for the same series.** For example, they may have sat Unit 1 and Unit 2 in year 10 and then go on to sit Unit 1 and Unit 2 again, along with Unit 3 and Unit 4 in year 11.

For candidates 'cashing-in' a single award and a double award qualification **in the same series, in order to satisfy terminal requirements**, WJEC will process the **single award cash-in first**. This may therefore have a detrimental effect upon the overall double award grade.

Please note that centres will **not be permitted** to remove any cash-in **once results have been issued**. If a centre wishes to remove any candidate's cash-in, an amendment file must **be submitted in the normal way prior to August 1st** of the year of the cash in.
