This document summarises the WJEC CBAC and Eduqas Entry Fees for 2026/27 from 1 September 2026. It should be noted that all Entry and Registration Fees apply from 1st September 2026 and assume that there is no change in what aspects of service are paid for by government.

To assist in reading this document, the Entry Fees for general and vocational qualifications are grouped and listed by subject. Where unit entry is allowable, the unit entry fee is also provided. If the qualification has a double award or short course entry option, the respective double award and short course entry fees are also provided.

2.0 What do WJEC CBAC and Eduqas fees include?

- ✓ Free and unlimited access to digital educational resources for teachers and learners and a range of non-digital support for teachers including access to specifications, SAMs and teacher guides (for qualifications delivered in Wales, this includes bilingual material).
- ✓ Direct access to our team of subject specialists, offering teachers professional subject support.
- ✓ Direct access to our customer support team.
- ✓ Unlimited teacher access to the latest mark schemes, sample assessment materials and past papers.
- ✓ All visiting moderation.
- ✓ All external verification.

This section details the processes followed by WJEC in relation to invoicing centres for Entry Fees.

3.1 Issuing of Invoices

WJEC will issue invoices for each qualification as follows:

- On time entries will be invoiced at the end of the amendment window
- On demand entries will be invoiced after the end of the month in which the entry was submitted.
- Late fees will be invoiced after the date on which very late fees are applied.
- Very late fees will be invoiced from one month after results day.

Generally, invoices will be issued within 4 weeks of the above deadlines.

Invoices will be emailed to the centre contact using the confirmed email address held by WJEC's Finance Department.

3.2 Invoice Content

On time invoices will provide a breakdown of fees by qualification/unit, including unit price and quantity. For late and very late fees, the invoice will also provide detail of the candidates.

Each invoice will be allocated a unique invoice number and will provide clear details of the fee being charged,

3.3 Payment Terms

WJEC payment terms are 21 days from the date of the invoice. If full payment is not received by this date, WJEC will instigate its standard credit control processes to collect overdue debts.

3.4 Payment of Invoices

Invoices should be settled by either bank transfer or cheque, and details of these methods of payment are included on each invoice.

3.5 Retention of Invoices

Invoices are retained for the previous complete six financial years plus the current financial year in accordance with legal requirements on the retention of records.

3.6 Contact Details

Should centres require further information in relation to entries, centres should contact WJEC's Entries team on 029 2026 5193 or by e-mail to entries@wjec.co.uk

For information in relation to payment or copy of invoices, centres should contact WJEC's Accounts team on 02920 2026 5198 or by e-mail to accounts@wjec.co.uk

4.1 Late, Very Late Entries and Registrations

Centres must submit their entries (and registrations) in an accurate and timely way, to ensure that WJEC is able to provide correct examination and assessment materials and issue examination results on time. WJEC actively encourages centres to submit their entries on time to avoid incurring additional work and cost at WJEC and subsequent cost to themselves in the form of late fees and to allow sufficient time for centres' own self-review.

Entry Deadlines for all 2026/27 qualifications are detailed in **4.1a**, along with the Amendment Window and dates from which Late Fees and Very Late Fees will apply. The table below provides key information on entry terminology:

Terminology

Entry	Candidate is correctly entered with appropriate personal details, qualification entry code and subject/unit entry code information (and Cash-In code where applicable) and entry complies with the related entry rules. A submission that does not have the appropriate information included and that does not comply with the entry rules is incorrect and will be rejected.
Entry Deadline	The final date that entries can be received and processed by WJEC without incurring additional charges.
Amendment Window	The period when centres can make amendments to entries at no additional cost.
Amendment Date	The date by which all amendments to entries must be submitted, to ensure no additional charges will be applied.
Entry Fee	The Entry Fee indicated for the specific qualification or unit.
Late Fee Date	The date from which all entries and amendments will incur a Late Fee charge. The Late Fee is equivalent to 2 times the Entry Fee for that qualification (or unit).
Very Late Fee Date	The date from which all entries and amendments will incur a Very Late Fee charge. The Very Late Fee is equivalent to 2.5 times the Entry Fee for that qualification (or unit).

Centres should be aware that WJEC may refuse late and very late entries for some qualifications if there is a risk to the integrity and security of the examination or assessment delivery or to the processing of timely results.

4.2 Amendments

Non-chargeable Amendments

- Centres can change the personal details for candidates entered for WJEC qualifications up to the Certificate Printing Deadlines outlined below, at no additional charge.

Certificate Printing Deadlines

Series	Certificate Printing Deadline
November 2026	1 February 2027
January 2027	31 March 2027
June 2027	7 September 2026

Chargeable Amendments

- If a centre submits a qualification or unit change (amendment) related to the following outside the amendment window:
 - Tier**
 - Subject**
 - Option**
- The centre will be charged a fee equivalent to the Late Fee or Very Late Fee (less the standard fee already paid), depending on when the late amendment is made. For example, an amendment made on 24th October to the tier or subject of an entry for a November series GCSE would be deemed a Late Entry and would generate an additional standard entry fee charge. Similarly, if an amendment was made as late as 1st November, this would be deemed a Very Late Entry and would generate an additional amendment fee equivalent to one and half times the standard entry fee.
- If candidate personal details are amended after the Certificate Printing Deadlines (indicated above), a £10.50 charge will be applied, to reflect the additional time and materials required to issue a revised certificate. Please note that personal details may only be amended via this route up to 12 months after certificate issue. If centres wish to amend personal details after this date, they will need to follow the replacement certificate process outlined on WJEC's public website.

4.0 Supplementary Fees (continued)

4.3 Late Cash-In (Aggregation) Fee

Where required, centres should include the appropriate Cash-In code for a qualification when submitting their entries to WJEC. If a Cash-In code is subsequently submitted by the Amendment Date, then no additional charge will apply. If the Cash-In code is submitted after the Amendment Date, the following fees will apply:

Late and Very Late Cash-In

Cash-In received after Amendment Date	Late	£10.50
January Series - Cash-In received between publication of results and 13 th April 2027	Very Late	£21.00
Summer Series - Cash-In received between publication of results and 20 th September 2027	Very Late	£21.00

Please note that Cash-In codes need to be applied to some subjects in the following Qualifications:

- Entry Pathways
- Applied Certificates and Diplomas
- Vocational Awards and Certificates

4.4 Entry Withdrawal

If centres withdraw a candidate, subject or unit after the amendment date, in most cases the entry fee will not be refunded.

Where centres are waiting on candidate examination results for the January series in order to decide whether those candidates also need to be entered for the summer series examinations, centres must enter **all possible candidates** by the entry deadline for the summer series. Centres can then withdraw candidates, as required, during the amendment window, once January examination results are published early in March: in these circumstances, the entry fee will not be charged.

Where a candidate is unable to sit an examination due to ill health or bereavement and a centre communicates this formally to WJEC within 2 weeks of the examination date (along with an accompanying medical certificate for ill health cases), WJEC may refund the candidate entry fee. Eligibility for refund will be considered on a case by case basis.

In situations where candidates are deceased prior to an examination sitting, the centre should provide a formal letter communicating this to WJEC so that we can respond appropriately in relation to the fee refund and other matters.

All correspondence relating to the above should be sent to:

entries@wjec.co.uk

4.5 Transfer of Candidates

Where a candidate is entered for an examination at one centre and then needs to take the examination at an alternative UK or Non-UK centre*, the following fees will apply:

Transfer fees

Candidates sitting examinations at UK centres	£33.50
Candidates sitting examinations outside of the UK	£67.00

*Please note that the centre must also meet the relevant JCQ requirements for transfer candidates.

4.0 Supplementary Fees (continued)

4.6 Centres with Subjects Requiring Examiner or Moderator Visits

WJEC arranges travel and accommodation (where necessary) for examiners/moderators to enable the visit to take place. Therefore centres are advised that any requests to change the arranged date within 10 working days of the visit may incur charges that are equivalent to the travel and accommodation costs incurred by the organisation.

4.7 Overseas centre administration fees

Annual administration fee for examination services	£910.00
--	---------

5.1 WJEC GCSE resit entries

If a candidate sat adapted WJEC GCSE qualifications in 2022 and wish to resit in 2027 or a future series, please contact GCSE@wjec.co.uk for guidance on options and entry requirements.

5.2 WJEC GCE resit entries

If a candidate was awarded a WJEC AS/A Level grade in 2021 or 2022 and wishes to resit in 2027 or a future series, please contact GCE@wjec.co.uk for guidance on options and entry requirements.
