When to Access Results

Who?

Exams Officer and Admin Portal Users

When?

00:01 on the day prior to Results Day (Wednesday)

How?

Results files released to centres and results become available on Portal.

Candidates

08:00 on Results Day

To be issued to candidates by their entering centre. WJEC cannot provide candidates with their results directly.

Other Portal users (i.e. teachers)

08:00 on Results Day

Portal users with access to the 'Results' area will be able to view results information from this time. The information will be automatically embargoed until then.

Local Authorities, Media, Public Statements

09:30 on Results Day

Centres must not release any information to Local Authorities, nor provide any public statements or information to the media, until this time.

Anyone other than the candidate

Never

Centres must never provide candidate results to anyone other than the candidate in question without receiving prior permission from the candidate

Further details on the release of results can be found on the [JCQ website](#).

Where to Find Results on Portal

For details on downloading results files via EDI, see next page

Full Portal guidance, including how to set up accounts, can be found on the Portal pages of our [WJEC](#) and [Eduqas](#) websites.
