

## AS/A Level WJEC History Newsletter – January 2024

### Welcome back!

Happy New Year! We hope you find this newsletter useful as you plan of the remainder of this academic year.

### Online Exam Review

We have worked on providing schools with a range of examples of candidate responses. In a change to the normal format, Summer 2023 examples can be found on the secure site as we have provided examples of all questions. Instructions on accessing this year's examples and examples from previous series can be found on the [OER site](#).

### Portal

Our New Portal (Secure Website replacement) is now live! Please get in touch with your Examinations Officer for your new invite or visit our [FAQs page](#) for more information.

### Professional Learning Event materials

We hope that you were able to attend our Professional Learning events before the Christmas break. The materials from our free Online events can be found on the secure site.

### Interested in examining for us?

There will be opportunities to join the GCE History examiner team for WJEC in summer 2024. As an Examiner, you will gain invaluable insight into the assessment process, enhance your skill set, and increase your understanding of the subject content. You can apply to become an examiner by completing an online application via our Appointees website - <https://appointees.wjec.co.uk>.

### Circulars

Please look out for a couple of useful circulars over the next couple of months, one relating to the use of Artificial Intelligence when undertaking the NEA Unit 5, and other specification-related updates.
