

WJEC Electronics

April 2024 Newsletter

NEA DEADLINE DATES

Deadlines for submission of NEA marks and sending work to moderators:

GCSE - 5 May 2024

AS/A level - 15 May 2024

EXAMINERS' REPORTS

Principal examiner and moderator reports for Summer 2023 are available on our Electronics webpages - [A/AS level](#) & [GCSE](#).

PROFESSIONAL LEARNING COURSE MATERIAL

A pre-recorded CPD presentation is available on [WJEC Portal](#) (secure website), which includes feedback on the Summer 2023 exams and NEA.

Choose 'Resources', then 'Subject-Specific Support Materials inc CPD & Exemplars'. Select Subject 'Electronics', Brand 'Eduqas' and Type of document 'CPD'.

RESOURCES FOR REVISION

Available on our Resources websites - [A/AS Level](#) & [GCSE](#):

Electronics eBooks

The free eBooks cover all topics of the GCSE, AS and A level specs in detail, with worked examples and questions, Answers to the questions in the eBooks can be accessed via the [WJEC Portal](#).

Knowledge organisers

These are available for each topic in the GCSE and A level specs. These can be used for revision or as a starting point for students to create their own knowledge organisers.

UKESF FREE EQUIPMENT & RESOURCES / EESW EVENTS (WALES ONLY)

UK Electronics Skills Foundation (UKESF) have equipment and resources available free to schools and colleges in Wales. Further details are on their website - [UKESF](#).

As well as the Engineering design project for 6th formers, EESW (Engineering Education Scheme Wales) organise other events and run workshops for schools. These are funded in some parts of Wales. See [EESW website](#) for details.

QUALIFICATIONS WALES SURVEY: PROPOSED APPROACH TO DESIGNATING 14-16 QUALIFICATIONS (WALES ONLY)

Electronics teachers in Wales, please have your say on the future of designated qualifications in the new curriculum in Wales - [Qualifications Wales consultation](#).
