# Empowering learners, supporting teachers

As Wales' largest awarding body, we have over 75 years of experience in delivering trusted, high-quality qualifications that support learners, educators, and employers across Wales.

We provide a wide range of bilingual qualifications that are accessible, engaging, and designed to meet the needs of today's learners.

Our qualifications are backed by expert subject teams, high quality resources, and responsive, specialist support. Our work is guided and shaped through close collaboration with schools, colleges, regional consortia, sector experts and Qualifications Wales.

As the only awarding body offering qualifications in every suite of the 14-16 National Qualifications offer, we are proud to play a key role in supporting the Welsh Government's ambition to make education in Wales a source of national pride, and we remain committed to helping every learner achieve their potential and progress with confidence.

# VCSEs: Engaging, practical, and built for progression

Our Level 1/2 Vocational Certificate of Secondary Education (VCSE) qualifications are designed to inspire and support learners aged 14-16, offering a two-year programme that is accessible, engaging, and rooted in real-world learning. With a strong emphasis on practical activities and hands-on experience, these qualifications help learners build confidence, develop essential skills, and achieve meaningful success.

VCSEs are unitised, allowing learners to complete some assessments in Year 10 and others in Year 11. This flexible approach supports steady progress, reduces assessment pressure, and enables learners to demonstrate achievement throughout the course.

For our VCSEs, external assessments, normally worth 40% of the overall qualification, are designed to assess foundational knowledge and can be completed near the start of the course, giving learners more time to focus on developing higher-level skills. This structure adds rigour and credibility to the qualification while helping to reduce teacher workload.

The compensatory nature of our VCSEs recognises learners' strengths across different units. High achievement in one area can offset lower performance in another, promoting a more inclusive and supportive assessment experience.

With content that is relevant, motivating, and tailored to learners' needs, WJEC VCSEs provide a solid foundation for progression to further study at Levels 1 to 3. Whether learners continue in the subject or not, they will gain valuable knowledge, practical skills, and a sense of accomplishment that prepares them for life, learning, and work.

# About the VCSE in Public Services

Public services play a vital role in Welsh society, ensuring health, safety, education, and community well-being.

They form one of the largest employment sectors in Wales, offering opportunities across healthcare (NHS), emergency services, local government, education, and the armed forces.

The sector supports essential infrastructure, promotes social equity, and aligns with the Well-being of Future Generations Act.

This qualification provides learners with valuable insight into a field where there is the chance to make a meaningful difference - whether through frontline roles or strategic leadership.

## Who is this qualification for?

Our Level 1/2 VCSE Public Services qualification is designed as an engaging vocational alternative or supplement to GCSE qualifications for 14 to 16-year-old learners in schools.

It offers a structured pathway to understanding the diverse career opportunities in public services and provides an excellent foundation for further study that in turn would support learners' progression to employment.

# What does the qualification cover?

Unit 1: Introduction to the public service sector
Unit 2: Public services in action
Unit 3: Wellbeing and fitness for public services
Unit 4: Citizenship and community within public services

## Summary of Assessment

Unit	Focus	Duration	Marks	% of Qualification
1	Written Sector Test	1 hour	50	20%
2	Non-examination assessment	TBC	50	20%
3	Non-examination assessment	TBC	TBC	60%
4	Non-examination assessment	TBC	TBC	60%

“Our VCSE qualifications bring learning to life. Through practical, real-world experiences and flexible, inclusive assessment, they empower young people to build confidence, develop essential skills and achieve success — laying strong foundations for progression, future learning and the world of work.

Our dedicated subject teams are here to guide you every step of the way, supported by tailored resources and professional learning opportunities, empowering you to confidently deliver these exciting new qualifications.”

### **Sarah Harris**

Assistant Director  
(Vocational Qualifications)

# Need more support?

Our Regional Representative **Sophie Dobbs** is available to support your centre to deliver these exciting new qualifications:

“ I work closely with schools and colleges across Wales, helping them understand the new Wave 3 qualifications that are coming as part of National 14-16 Qualifications reform in September 2027.

I'm here to support centres at every stage of the journey — from early conversations and planning, right through to delivery.

Before starting at WJEC I spent 17 years in secondary education. Having that experience, and a clear understanding of the practical challenges senior leaders face around staffing, timetabling, resources and budgets, means I'm well placed to support centres strategically and practically through the Wave 3 transition.”
