1. Results Day

i) Collecting Exam Results

Candidates must receive their examination results from their centre, usually on the published Results Day.

For Summer 2021, the publication of results is from:

8.30am on **Tuesday 10 August** for Level 3 Qualifications

8.30 a.m. on **Thursday 12 August** for Level 2 Qualifications

Schools and colleges should inform all candidates of the arrangements for obtaining their results and with which members of school or college staff they should discuss any results queries or concerns. It may be necessary for arrangements to be different to those in previous years, and these arrangements will need to take account of the latest government advice for your area.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should therefore check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concerns.

Results must not be divulged to others including local authorities and the media until after 9.30am on the relevant results days. Full details including the restrictions surrounding the release of results are published in the JCQ document **Release of results June 2021**.

ii) What to expect

On Results Day, candidates normally receive a results slip showing their results.

At this point, results are designated as provisional; changes may be made at a later point, for example, following a centre review or an appeal.

iii) How are results displayed on a result slip?

Welsh Baccalaureate

Results slips will show candidate results for each qualification taken within that examination series

The Skills Challenge Certificate and the Welsh Baccalaureate are awarded the following grades:

	Skills Challenge Certificate	Welsh Baccalaureate
KS4 & Post 16 Foundation	Pass (P) or Pass* (P*)	Pass (P) or Fail (F)
KS4 & Post 16 National	A* - C	Pass (P) or Fail (F)
Advanced	A* - E	Pass (P) or Fail (F)

Candidates whose level of attainment in the Skills Challenge Certificate is below the minimum standard will receive an unclassified (U) result and will not receive a qualification certificate.

Health and Social Care/Children's Care Play and Learning Development

Results slips will show candidate results for each qualification taken within that examination series.

Children's Care, Play, Learning and Development: Practice and Theory (Level 2)

Results will be displayed as P (Pass) or F (Fail)

Health and Social Care: Principles and Contexts (Level 2)

Results will be displayed as Pass, Merit, Distinction. Results not attaining the minimum standard for the award will be reported as U (unclassified).

iv) Symbols used on a result slip

In addition to grades, results slips may also contain other symbols:

X indicates that a result is not being issued due to the candidate being absent for all components/units. It may also be because a decision has been made not to issue a result. Any subject with an (X) will not appear on the certificate.

Q indicates that a result is not being issued as a grade has not been provided.

2. What to do if a candidate is concerned about a result

It is important that candidates discuss any concerns with their centre and decide on the best options available. **It is advised that candidates liaise closely with their centres to establish how best to contact them during the period immediately after results. Candidates must liaise with their centre for the outcome of queries on results. WJEC cannot confirm appeal outcomes directly to candidates.**

Centres provided candidates with their provisional centre determined grade on or before 30 June 2021. If a candidate believed that an error had been made in arriving at their result, they were required to submit a request to their school or college for a centre review (stage 1 of the appeals process) within the deadline set by their school or college. All centre reviews had to be completed and any grade changes from those reviews reported to WJEC by 20 July.

If the candidate considers that an error still persists after the centre has completed their review, they should complete a request form and ask their centre to submit it on their behalf to WJEC on or after results day. An appeal cannot be made to WJEC unless a centre review was requested and has been completed. The only exception is if a candidate considers that WJEC has made an administrative error in issuing their grade.

Full details and guidance on the appeals process is available on our WJEC website

3. When are certificates available?

Certificates will be sent to centres in **November 2021**.

Candidates should check that their personal details, name and date of birth, are correct on the results slip and inform the Exams Officer if there are any errors. **Exams Officers must inform WJEC of errors, in writing, not later than Thursday 9th September 2021.** If errors aren't corrected at this stage, there will be a charge for replacing certificates after they have been issued. Candidates should check the arrangements for receiving their certificate with their school or college.
