The dates indicated are for the submission of coursework tasks to moderators etc. Centres will need to ensure that the date for the completion of work by candidates precedes these dates by a sufficient margin to allow for the assessment, and internal moderation (if required) of the work by subject teachers. Sufficient time must be allowed to conduct any internal appeals. **Marks will then need to be entered via the online mark submission area of the WJEC secure website in order to generate the list of candidates who will make up the sample. It is anticipated that the mark-submission pages will be available from 1 April for GCE subjects.** *Subject teachers should note that candidate cover sheets will be available to download from the WJEC website in January. Details of the moderators to whom samples are to be submitted will be available via the online mark submission area of the WJEC secure website.*

Please note that the dates indicated above are for the submission of work and documentation to WJEC for moderation. Centres will need to ensure that the date for the completion of work by candidates precedes these dates to allow for the assessment and internal moderation (if required) of the work by subject teachers. **Marks will then need to be entered via the online marks submission area of the WJEC secure website (IAMIS) to generate a sample. Where work is submitted electronically via SURPASS centres must also allow up to 48hrs for the generation of candidate keycodes.**

Level 3 Foundation Diploma in Art & Design

Submissions will be internally assessed and externally moderated in May/June. Course Leaders will be contacted by their allocated Moderator in April/May to arrange the moderation visit date. Proposed internal grades must be submitted to WJEC via the secure website prior to the moderation visit. The moderation sample will be selected by the moderator on the day of the visit. Centres must make available to the moderator documentation and work for internally assessed units from Stages 1 & 2 (including that from students who have not completed the course) to confirm evidence of authentication and PASS criteria having been met. Centres should note that Unit 5 'Proposing and Reviewing a Major Project' should be displayed with Unit 6 'Curating and Presenting a Major Project' for external assessment purposes. The completed online outcome sheet should be printed off prior to the visit in the 'Show All' view with all unit columns and outcomes displayed, which must be presented to the moderator upon arrival.
