

# GCSE MATHEMATICS, GCSE MATHEMATICS – NUMERACY and LEVEL 2 ADDITIONAL MATHEMATICS

NEWSLETTER – APRIL 2024

## PROFESSIONAL LEARNING TRAINING COURSES

Materials from all of the professional learning events that have taken place this academic year for GCSE Mathematics and GCSE Mathematics-Numeracy are available on [WJEC Portal](#) (the WJEC secure website). The materials can be accessed by first selecting 'Resources', then 'Subject-Specific Support Materials inc CPD & Exemplars'. You can find the documents that contain the links quickly by putting 'Mathematics', 'WJEC' and 'GCSE' in the first three search boxes.

## FREE ACCESS TO SCRIPTS

WJEC teachers also benefit from access to free marked exam scripts from the November 2023 assessment series.

Scripts are available for 6 months following the publication of results.

Candidates' scripts are available to download from [WJEC Portal](#).

## MADE FOR WALES QUALIFICATIONS

A subject page for the new GCSE Mathematics and Numeracy (Double Award) qualification is available [here](#). It is for first teaching from September 2025. The qualification outline is available on this webpage.

Approval criteria for the new [Level 2 Additional Mathematics](#) qualification has been published on Qualifications Wales's website. It is for first teaching from September 2026.

## BLENDED LEARNING AND KNOWLEDGE ORGANISERS

Blended learning packages, exam walkthroughs and knowledge organisers are available for GCSE Mathematics and GCSE Mathematics – Numeracy.

Visit the [Home Page WJEC Educational Resources Website](#).
