Advance Information

General information for students and teachers

This advance information provides the focus of the content of the Summer 2022 examination paper.

It does not apply to any other examination series.

It is intended to support revision.

It may be used at any time from the date of release.

It must not be taken into the examination.

Released: 7 February 2022

Subject information for students and teachers

Further information about adaptations to WJEC GCSE and GCE qualifications in 2022 is available at: https://www.wjec.co.uk/home/summer-2022-adaptations/

This advance information covers Unit 1 only. There is no advance information for Unit 2 (NEA).

The following areas of content are suggested as key areas of focus for revision and final preparation, in relation to the Summer 2022 examination.

The following topic areas will be largely, although not exclusively, tested through the higher tariff questions.

Other subject content will be covered in the remaining questions.

The aim should still be to cover all specification content in teaching and learning.

Areas of content: Part A
1.3 How organisations collect information
1.4 How organisations use information
1.7 Communication
1.13 Cybersecurity
Areas of content: Part B 1.11
Word processing software
Database software
Spreadsheet software
