

ELECTRONICS

Happy New Year 2026 !

NEA – Online Submission from Summer 2026

From summer 2026 all Electronics NEA will switch to electronic upload via the IAMIS system. Further information is available on the webpage [e-Submission](#). (See also circular no. 076, issued Dec 2025)

The specifications, guidance for teaching documents and Electronics task forms have been updated due to this change. Latest versions of these documents are available on our Electronics webpages - [AS and A Level Electronics | Eduqas](#) and [GCSE Electronics | Eduqas](#).

The deadlines for submission of NEA samples will not change. These are: **GCSE - 5 May 2026** and

AS/A level - 15 May 2026.

Please ensure that declaration forms for all candidates, are signed by both the candidate and teacher.

If possible, please use the new versions of the task forms. Candidate's reports and task forms should be annotated to show the marking criteria achieved (using the codes on the new task forms) and marks awarded for each section.

Electronics Networking Meetings

Some online meetings are being arranged for Electronics teachers to network and share good practice, the first meeting being on Tues 13 Jan 2026, 4-5pm.

If you are interested in attending any of the meetings, please complete this form - [Electronics networking](#)

Exemplar Material

Marked exemplar material for the 2025 GCSE and A level exams, and all NEA is now available on [Portal](#).

To access the exemplars: Log in to [Portal](#), choose 'Menu', 'Resources', then 'Subject-Specific Support Materials inc CPD & Exemplars'. Select Subject 'Electronics', Brand 'Eduqas' and Type of document 'Exemplar Materials'.

Teaching Resources

Available on our Resources webpages - [AS and A Level Electronics | Eduqas](#) and [GCSE Electronics | Eduqas](#):

Electronics e-Books: The free e-Books cover all topics of the GCSE, AS and A level specs in detail, with worked examples and questions. Answers to the questions in the e-Books are available on [Portal](#) (in the same section as the Exemplars).

Knowledge organisers: These are available for all topics in the GCSE and A level specs.

Get in touch

If you have subject specific enquiries, then please contact the Electronics team:
