	Subject:	¡Hola!

¡Hola!

Gracias por tu correo electrónico.

Estoy en el cuarto curso de la ESO (¡el último año!). Estudio muchas asignaturas y la mayoría son obligatorias. Sin embargo como soy bueno en idiomas estudio inglés, italiano y latín.

Además de los idiomas, estudio ciencias sociales, geografía, historia, educación ético-cívica, lengua castellana y literatura, matemáticas y educación física. ¿Cómo es el sistema en Gales?

Mis profesores de idiomas son muy simpáticos. Las ciencias sociales son difíciles para mí pero son interesantes. Odio las matemáticas, ¡son difíciles y me aburren! También la profesora es muy estricta y nos da muchos deberes. Tengo 30 horas de clases por semana.

Quiero ir a la universidad para estudiar inglés, que es mi asignatura favorita. Voy a hacer las prácticas laborales en un hotel en Cardiff para mejorar mi inglés. Tengo muchas ganas de hacerlo ¡porque me gusta mucho Gales! En el futuro me gustaría trabajar como profesor de idiomas o en el sector del turismo.

¿Qué estudias? ¿Cuál es tu asignatura favorita?

¿Vas a hacer prácticas laborales también?

Saludos,

Esteban.
