Dear Stephen

**Re WJEC Level 1/Level 2 Vocational Award in Retail Business**

I am writing this letter in support of:

- 600/8330/X WJEC Level 1/Level 2 Vocational Award in Retail Business

I confirm that we accept the WJEC Level 1/Level 2 Vocational Award in Retail Business qualification (Ofqual Qualification Number: 600/8330/X) alongside GCSEs as an integral and equally regarded part of the students wider suite of qualifications to fulfil entry requirements to our sixth form/ College. The qualification is offered to our level 2 students in Year 12. Over the last few years the qualification has inspired students who have never studied business lower down the school to carry on with the subject in sixth form and take Business level 3. We would be very interested see the level 3 retail qualification that WJEC are introducing in the future.

Regards
