YOUTH HOMELESSNESS

PURPOSE

The purpose of the Global Citizenship Challenge is to develop learners' skills, whilst providing opportunities to understand and respond appropriately to global issues. During the Global Citizenship Challenge learners will explicitly develop skills of **Critical Thinking and Problem Solving** and **Creativity and Innovation** and apply them in an appropriate manner.

BRIEF

There are many problems in the world that we should all help to resolve even if it happens hundreds or thousands of miles away, or where you live in Wales. How do you become a global citizen? You need to develop a human conscience and make judgments about the issues that matter and the type of world you want to live in. Being a global citizen gives you the power to bring about positive change to make this world a better place.

Over 30 years ago, **Llamau** was founded to provide homeless teenagers with a safe place to stay. Since then, we have supported over 67,000 young people, women and their children who are either homeless or facing homelessness. At **Llamau** we believe that no young person or vulnerable woman should ever have to experience homelessness. Our mission is to eradicate homelessness for young people and vulnerable women. But for thousands of the most vulnerable people in Wales, homelessness is a frightening reality.

During this Challenge you will have the opportunity to acquire knowledge and understanding of **youth homelessness** and develop an insight into the challenges faced across the world in addressing this issue. You will use a variety of information to develop and support particular arguments and viewpoints and identify your own ideas on this global issue to construct your own **Personal Standpoint** on **youth homelessness**.

You then have to produce a **Raising Awareness Pack** on **youth homelessness** to educate, engage and encourage people to think and act as global citizens. You should design your item in a creative and innovative way so that it will appeal to the target audience and make use of effective communication by providing a clear message which is memorable, original and relevant.

By completing this Challenge you will show that you can reason, make judgements and make decisions in order to create an informed personal standpoint on **youth homelessness**. The raising awareness allows you to show how creative and innovative you can be in communicating your ideas and presenting your message to other people.
